Program putovanja:

Croatia incoming, Day Trips, Kvarner, Rijeka, Opatija

Croatia has one of the most beautiful seas in Europe, possibly in the world! More than 1200 islands and islets, 1700-kilometre-long Mediterranean coastline which has remained literally as it once was.

Did you know that Rijeka is European Culture Capital 2020? Come and see for yourself how city is undergoing major changes and we predict will become one of the favorite places to be in Croatia!

By highway from Zagreb, through mountains of Gorski Kotar, down to the coast right to the city of Rijeka, the country's largest port. We will spend time exploring the local market and museums and lifestyle. Then we proceed to Opatija where one can feel and see the unforgotten glory of the imperial times when "the Queen of the Adriatic" was a famous meeting place of European nobility.

A trip to enjoy the view, walk by the sea, swim or just feel the Adriatic atmosphere.

Where the sea meets the sky that is the most beautiful picture for your eye.
