#### MIA01D - EVERGLADES TOUR: ENDS AT MIA AIRPORT

English

See one of Florida's natural wonders - the Everglades wetlands - before your flight out of Miami on this excursion, lasting around four hours. You'll take an airboat ride for an up-close view of the area's flora and fauna (with the potential to spot wildlife) and have some free time before a transfer directly to Miami International Airport. Read more Those flying out of Miami can pack in a final adventure to their trip with this excursion of approximately four hours to the Everglades, with a direct airport transfer at the end of the trip for convenience. Recognised as both the largest subtropical wilderness in the United States and a UNESCO World Heritage site, the Everglades sits at the far southern tip of Florida. Learn more about this unique region at the Everglades Holiday Park, reached after a narrated drive of approximately one hour from the port. Once arrived, you'll have around two hours at the park, including an airboat ride of approximately 30 minutes. As you glide over the water in the airboat, take in the mix of mangrove forests, swamps and marshes surrounding you and see if you can spot any wildlife, which could include some of the area's 350-plus bird species (such as egrets and hawks) or even the Everglades' most famous residents: alligators. After the airboat ride, you can use the remainder of the time to further explore the Everglades Holiday Park and browse the venue's gift shop for souvenirs, before a transfer of approximately one hour to Miami International Airport. Important Information: Please note: this tour is intended for guests disembarking from Miami who are booked on a flight from Miami International Airport departing after 14:30 hours/2:30 pm for domestic flights or after 15:30 hours/3:30 pm for international flights. Guests using a wheelchair who wish to participate are required requested to contact the Shore Excursions' Desk 48 hours prior to the tour. Guests disembarking in Miami who wish to book and prepay the tour are required to use code MIA01D. Please expect some queues at the venue. The alligator show that is presented at the Everglades park is on a time-permitting basis and may not be feasible in consideration of onsite waiting times and guests flights departure times. During the airboat ride, wildlife sightings cannot be guaranteed given that it is a natural habitat. Ear plugs can be purchased at the Everglades Park for an additional charge. Due to local regulations, regardless of flight departure time, guests will be requested to leave the ship upon arrival in port. Depending on the flight schedule, guests with evening departures may be dropped off at the airport a few hours earlier than the typical 2-3 hour window before their flight. This could result in an extended wait at the airport; therefore, we recommend planning accordingly. In the event that minimum number of guests required for the tour to operate is not met, guests traveling in transit and those disembarking may travel on the same bus. The order of drop-off will be determined by local traffic conditions and tour itinerary. If necessary, a stop at the airport may be made prior to returning the transit guests back to the pier.

Another option is simply to stay on the same bus for the whole loop and enjoy a sightseeing drive of the city.
